HC-Synthese high-performance low-friction engine oil  
for car engines

## Product description and properties

**Aykos PS 5W-30** is a HC synthetic low-friction engine oil developed for petrol and diesel car engines. It is made from high-quality synthetic base oils and state-of-the-art additive technology to ensure optimum engine performance and efficiency.

**Aykos PS 5W-30** provides:

- The optimised formulation reduces fuel and oil consumption.
- The efficient dispersing capacity prevents deposits and blockages in the oil circuit, keeping the engine clean.
- Outstanding low-temperature properties enable problem-free cold starting and rapid oiling through in frosty conditions.
- Modern oxidation inhibitors extend the service life of the engine oil.
- Reliable wear protection ensures a long engine service life.

## Application

**Aykos PS 5W-30** is ideal for use in modern car engines with and without turbochargers and is ideal for all operating conditions such as motorway and city traffic.
